ANNUAL REPORT 2004

26 Years of Service Excellence

*For 26 years now,
Hawaii Air Ambulance...*

has responded to the evolving needs of our patients.

Today, we continue our proud tradition of service excellence by maintaining our status as a provider of exceptional aeromedical emergency services to both residents and visitors of Hawaii, regardless of their race, creed, gender, nationality, religion, or their ability to pay.

"We're proud to serve all the islands as Hawaii's only fixed-wing aeromedical provider. Our record is unmatched, having safely performed over 32,000 aeromedical transport missions."

— Andy Kluger

CEO & Chairman of the Board
Honolulu, Hawaii

Don Driskill, Jr., President & CEO, Hawaii Health Systems Corporation; Andrew Kluger, CEO of HMA; Donna Matsumoto, Chief EMS & Injury Prevention Systems; and Kelly Rubenstein, VP & CFO, Hawaii Health Systems Corporation at the August 6th, 2004 dedication ceremony of our new Cessna 441 aircraft.
