

Based on your feedback, we created New PaperPort® for Windows 95 and Windows NT. As a registered PaperPort 3.5 user, you can install it, use it and keep it – FREE from Visioneer!!

MAXIMIZE THE CAPABILITIES OF YOUR PAPERPORT Vx, PAPERPORT ix OR HP SCANJET SCANNER – AT NO COST.

Simply use this CD-ROM to install the New PaperPort for Windows 95 and Windows NT Software and get all these great benefits:

NEW Windows 95 Native lets you use your right mouse button to improve and accelerate performance on Windows 95 PCs, 32-bit architecture.

NEW Windows NT Compatibility supports versions 3.51 and 4.0.

NEW Scrollable Link Bar offers an unlimited number of links on your Link Bar to scroll through. And you can even re-order them to allow you to work more efficiently!

NEW Xerox TextBridge™ OCR the latest Optical Character Recognition software. It turns scanned documents into editable, formatted text – to let your PC type for you.

And Much More! Enjoy the many benefits of PaperPort for Windows 95 and Windows NT absolutely FREE. And, if you act now, you can also unlock the power of the Most Powerful Paper Management System available – right from the enclosed CD – New PaperPort Deluxe Software!

Purchase it now and begin using it right away for just \$79.95.

PAPERPORT DELUXE™ SOFTWARE LETS YOU GET BETTER ORGANIZED, COMMUNICATE BETTER AND WORK MORE PRODUCTIVELY WITH THE FOLLOWING GREAT FEATURES:

ONLY \$79.95

Nested/Hierarchical Folders let you create folders within folders up to 5 levels to stay organized.

SimpleSearch™ instantly finds documents you've scanned by searching on any word(s). Even finds documents that closely match it.

ScanDirect™ saves time by putting your documents straight into any linked application: your word processor, fax software, e-mail, etc., without launching PaperPort. Available only on PaperPort Vx, PaperPort ix and HP ScanJet 4s scanners.

Archive Link allows you to scan in a document, then drag-and-drop it onto your external hard drive, network drive, even Iomega Zip or Jaz drives.

More than 150 PaperPort Links to instantly put your paper to work in your most popular applications. Including Intuit Quickert™, Iomega Jaz or Zip drive, and Symantec ACT!®

Plus this great software absolutely FREE, a \$140.00 value.

Quicken ExpensAble™ SE organize your expenses. Drag-and-drop scanned receipts to the Quicken ExpensAble Link then complete your report with receipts attached.

Visioneer FormTyper™ lets you fill out forms seamlessly. Automatically finds fields in scanned forms. You just tab and type!

Netscape Navigator™ allows you to scan a document, then send it someone over the Internet. It's more private and a lot cheaper than faxing!

NetCentric FaxStorm™ Internet Fax software lets you send faxes through the Internet, reducing your current fax costs up to 85%.

And, it comes with a **30-Day Money-Back Guarantee**. If you don't like it, call for a full refund. No questions asked!
